

## Beit Chaverim Congregation Seder

Our Congregation Seder was held on Tuesday, March 30, the second night of Passover. Sixty congregants and guests were present to hear our Rabbi, Rabbi Saltzman, conduct a memorable Seder. What made the Seder so special was his recitation of the classic prayers combined with interesting commentary to give contemporary meaning to an old ritual.

The main meal was catered while congregants provided the traditional Passover foods such as matzos, gefillte fish, hard boiled eggs, and ingredients for the Seder Plates on each table. The event was coordinated by three congregants: Deena Fisher, Roberta Safer and Jessica Scher.

The location for the Seder was St Paul's Episcopal Church in Prince Frederick, Maryland and The Rev. Julie Wizorek joined us for the evening.
